

How to contact a Power.org member

- 1. If you would like to contact a member on your committee,** go to the committee roster page and click the member's name to display the member's contact information. (See example on the pages that follow)

NOTE: If the member has opted not to display his/her contact information, you will not see the member's contact information

- 2. If you are unable to locate the member on a committee roster,** email admin@power.org with the reason why you need to reach the member.
